THE YEAR OF 2018 GRAND MARSHAL DICK CAIN AND QUEEN RIANN CORNETT

February 2018

Hello Trainers and Owners.

We are looking forward to seeing you at this year's Crooked River Roundup Race Meet!
This year's dates are:

July 11 – 14, 2018

Enclosed are the following: a stall application and a W-9 form. We are anticipating lots of horses this year! It is important that you fill the stall application out as accurately as possible, so we can accommodate your needs to the best of our ability. Priority will be given to those that return their application early.

I need to know the TOTAL horses you are bringing.

Use a separate line for each owner. PLEASE indicate your pony horses. Priority for stalls will be given to race horses.

I encourage you to fill out the application, and either email or mail it to me. I will be on vacation middle through end of June, and then working fires, and may not be able to receive calls (out of cell range).

See you at the Races! Any questions please contact me.
